Software Engineer/Fullstack Developer

SUMMARY

I'm a versatile Computer Science undergraduate student from BINUS University and a quick learner with a solid foundation in programming and practical experience as a backend developer. Complemented by extensive experience in leadership, event planning, and product development gained within BINUS English Club (BNEC). I am a bilingual and effective communicator with strong skills in teamwork and problem-solving, ready to bring both technical and leadership capabilities to a dynamic team.

EDUCATION

BINUS University	West Jakarta, Indonesia
Computer Science	2023 - present
<ul style="list-style-type: none">Finalist of the Business and System Innovation Challenge (BASIC) 2024 held by School of Information Systems, Bina Nusantara University as part of Team "Joy".Relevant Coursework : Software Engineer, Agile Software Development, Code Reengineering, Pattern Software Design	

WORK EXPERIENCE

Dinas Kehutanan Provinsi Lampung	Bandar Lampung, Indonesia
Intern	Jul 2025 - Aug 2025
Collaborated within a cross-functional team of five (Project Manager, 2 Backend, 1 Frontend, 1 QA) to develop a comprehensive forestry management application. Used PHP and Laravel as one of the two backend developers.	

ORGANIZATIONAL EXPERIENCES

BINUS English Club	West Jakarta, Indonesia
<ul style="list-style-type: none">Staff of Product Research and Development Division	Jul 2024 - Jan 2025
Enhanced product development through research and supported publication quality by proofreading and refining written materials.	
<ul style="list-style-type: none">Manager of Talent Development Division	Jan 2025 - present
Managed the Talent Development Division by overseeing coaching programs for Speech and Scrabble, handling coach contracts and funding proposals, liaising with coaches and competition organizers, and coordinating a team of four staff to support talent participation in competitions.	
<ul style="list-style-type: none">Coordinator of Event Division for The 2024 BNEC Social Event	Sep 2024 - Feb 2025
Directed a four-person team to plan and execute events, built strategic partnerships with NGOs and educational institutions to secure speakers and venues, and facilitated a Forum Group Discussion to promote knowledge exchange. Additionally, contributed to the event's community mission by designing and delivering English language sessions for students at partner schools.
